I am Gertie Herzberg
born on the 26th of
July in Vienna, Austria.
Between my two
sisters (one younger
and one older than
me) I spent a very

nice childhood. After 4 years Elementary
School I attended a private girls high school.
In my spare time I went to a course
for modelling, which interested me very
much. My mother wanted me to make
my matriculation, but after the occu-
pation of Austria I had to leave the
School.

said they were! They all
looked sweet in their pink
party frocks, with rosy cheeks
and shining eyes. The children
were so impressed by the play,
that they wanted us to take
them to the pantomime every
day. For a long time they kept
on singing songs from morning
to evening. They had heard in
the pantomime.

Anne Frank Ambassador - Martin

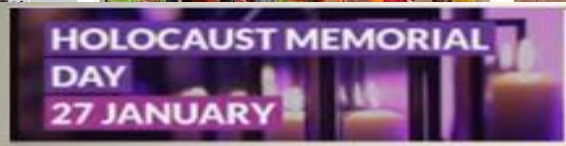

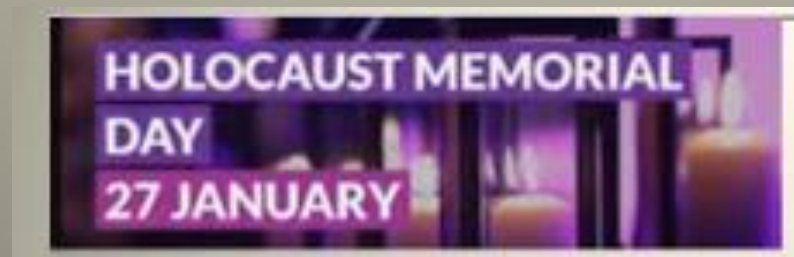

The diary of Anne Frank – has inspired people to choose love over hate

Wherever we are – we can be kind –
especially to those who might feel out of
place

Dear children, let us not love
with words or speech but with
actions and in truth.
