

My Scuba Diving Diary

3 Monday 15th March

5 Dear Diary,

14 Today was the first day of my diving holiday.
25 We got up early and ate breakfast but I was too
34 excited to eat much. We were speeding across the
44 blue ocean to our dive site by eight o'clock. The
54 site was the old shipwreck of a boat, which sank
63 hundreds of years ago. I was with my diving
73 buddy as we went down into the deep sea at
80 the site. The shipwreck was amazing and full
87 of interesting coral and creatures. The biggest
94 surprise was the group of hammerhead sharks
101 that we found! They were silently swimming
110 near the lower deck. I was wondering if they
116 might think that we were breakfast.
123 I can't wait to dive again tomorrow.

Questions

1. Where were the hammerhead sharks swimming?

2. Find and copy one word from the text that shows the diver was moving quickly across the ocean.

3. How do you think the diver felt about the hammerhead sharks?

4. What do you think the diver might see when they go diving again tomorrow?
