Answers

1. How many hot chillies do you need to add to the jelly?

You need to add nine hot chillies to the jelly.

2. Why is the word 'carefully' used when pouring the jelly liquid?

The word carefully is used when pouring the jelly liquid to remind the reader to take care and to not spill the hot liquid.

3. Why do you think that dragons like chillies and hot sauce with their jelly?

Accept any sensible answer linked to the text, such as: I think that dragons like chillies and hot sauce because some dragons breathe fire and the chillies make the jelly hot and fiery.

4. Using 20 words or fewer, sum up why you should not make this jelly for your party.

Accept any reasonable summary using 20 words or fewer, such as: This jelly is not suitable for your party because the chillies and hot sauce will make it too spicy.
