

Why might the shadow be different from the woman?

Anyone seen these?
Do you know the tag lines
that go with them?

Rosa sat

So Ruby could
walk

Who are these
people?

So Kamala could
run...and win!

What do we remember about
Rosa Parks?

She started a bus protest in the USA at a time when black people had to sit in a separate part of the bus to white people

This little girl is Ruby Bridges – she was the first black child to go to a school that had previously only had white children

Other children refused to be taught with her...teachers refused to teach her!

Ruby continues to spend her life
campaigning for equality

Who is this woman?

Why is she famous?

Kamala Harris is the first woman to be elected as Vice President in the USA
As well as the first person of colour to hold that office

Now do we understand
the shadow?

**Rosa Sat
So Martin Could Walk**

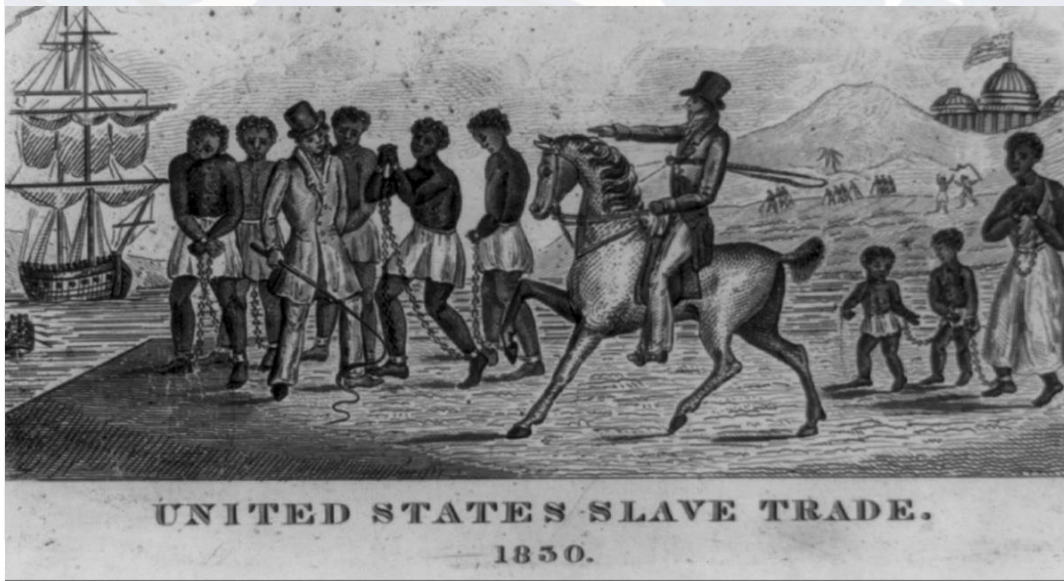

**Martin
Walked
So That Obama Could Run**

**Obama Ran
So That Our Children Can Fly**

Remember -For many years, black people were used as slaves in the USA – they could not have imagined a world where they could be free...or successful....

Inspirational people have made this change happen...these people had what characteristics/values?

Sadly, racism is not just an American thing of long ago....Isaac knew about how this video led people to complain in this country this year!...just because the family featured are black.

We've created some graffiti style art using the French words for terms to do with equality and fairness: France was one of the first modern countries to call for equality for all people in a revolution 200 years ago

Who has inspired you and why?

Is it someone in your family or one of your friends?

Is it someone you know from a club or team you go to?

Is it someone you don't know – from TV, social media, cinema?...from sport or politics?

Write onto your post it note now who it is and why they have inspired you

Dear children, let us not love
with words or speech but with
actions and in truth.
1 John 3:18

As we pray, let's think about our own attitudes to people from different communities – races – religions – languages

Think about our **Christian value of generosity** – having an open mind and being willing to share our time and share our friendship with new and different people

Think about our **PSHCE theme of Falling out and getting on**

Our British Values – of mutual respect

Mutual respect and tolerance

E.g. being kind to each other, listening, learning from others who do things differently, asking questions and trying to see things from other people's point of view

**Merci pour les gens
inspirants du passé**

**Merci que nous vivons dans
un pays libre où nous
essayons de traiter les gens
également**

**Nous aider à être généreux
et gentils avec les gens.
Amen**

**Thank you for the inspiring
people from the past**

**Thank you that we live in a
free country where we try to
treat people equally**

**Help us to be generous and
kind with people.
Amen**

Dear children, let us not love
with words or speech but with
actions and in truth.
