

My Animal Story

In the story we find out how Ostrich got a long neck.

Can you write a story about another animal and how they got a special feature? For example, how the giraffe got his long neck, how the lion got his roar or how the mouse got his tail?

Capital letters and full stops

after a while she began to grow tired of running she stopped
and looked around her long legs had carried her to a place she
had never been before it was sandy and safe and there were no
crocodiles to be seen anywhere phew she thought safe at last
after all that pulling and running she suddenly felt rather
hungry she reached down to the ground to snap up some seeds
and stopped
