Cress Growth Diary

Cress seeds with no water	Cress seeds with no light	Cress seeds with both water and light
Day 1 Picture	Day 1 Picture	Day 1 Picture
What does it look like?	What does it look like?	What does it look like?
Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?
Day 2 Picture	Day 2 Picture	Day 2 Picture
What does it look like?	What does it look like?	What does it look like?
Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?

Cress seeds with no water	Cress seeds with no light	Cress seeds with both water and light
Day 3 Picture	Day 13 Picture	Day 3 Picture
What does it look like?	What does it look like?	What does it look like?
Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?
Day 4 Picture	Day 4 Picture	Day 4 Picture
What does it look like?	What does it look like?	What does it look like?
Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?

Cress seeds with no water	Cress seeds with no light	Cress seeds with both water and light
Day 5 Picture	Day 5 Picture	Day 5 Picture
What does it look like?	What does it look like?	What does it look like?
Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?	Can you predict what will it be like tomorrow?

What have you found out
