

Design a Paschal Candle

Design a Paschal candle. Remember to include all of the following symbols: a cross, the alpha and omega signs, the grains of incense and the current year. Label each part of the candle and include an explanation for each symbol.

You can use this to help you with your design and labelling.

Jesus was crucified on this on Good Friday.
The Greek letters alpha and omega show that God is the beginning and the end for Christians.
In remembrance of the spices used to prepare Jesus' body for the tomb and the wounds on his hands, feet and side when he died.
For Christians, this represents God's presence with them today.
