

The Fish Who Could Wish

Tuesday 23rd June

L.O. To write in complete sentences hat you would wish for and why.

L.O. To write full sentences using the correct punctuation.

The Fish Who Could Wish did not realise how lucky he was and made a very silly mistake.

If you could have whatever you wished for, what would you choose?

Would it be for you or your family or friends?

What are the
things you
would wish for?

Why would
you wish for
these things?

Check your punctuation.

Think about the following punctuation. Have you used it correctly?

- Capital letters
- full stops
- exclamation marks
- question marks
- commas
