

Dear Giant

I am writing to thank you so much for having me yesterday and for sharing your breakfast with me. Don't tell mum I had beer, she says that I'm too young. Do you always have beef for breakfast? I have cornflakes every day so beef was a delicious change.

I also wanted to say a big thank you for the gold coin you gave me, it was very kind of you. My mum and I live in a crumbling cottage and we don't have enough money to buy food. Your coin will allow us to mend our house and put food in our cupboards. We will never be hungry again. Mum said that there might even be some money left to buy me a treat. She is very proud of me because I helped you out. I am so excited!!! She is going to buy me my very own bike.

I hope the glasses, false teeth and wig have improved your life. It was lovely to see you so happy enjoying books and food again.

Is there anything else I can do to help you? Please write back and tell me if there is.

It was so lovely to meet you up in your amazing castle in the sky. I would never have believed it was there if I hadn't seen it with my very own eyes.

Please keep in touch

love from your new friend

Jim
