

1 2 3 4 5 maths, maths meeting
6 7 8 9 10 I love maths, yes, I do!

Part 1 of the lesson - NCETM - Warm up - Money

Part 2 of the lesson - White Rose - Telling the time

Part 1

Warm up maths - work through the video alongside the teacher.

Part 2

Time

Today I need you to work with a grown-up to learn how to tell the time.

You have practised o'clock, half past, quarter past and quarter to and now you are practising the 5-minute intervals. This is tricky so you will need a bit of help.

1. First watch the video
2. Read through the PowerPoint with a grown-up
3. Use the clock to practise telling the time with a grown-up.

Click on the reset button so the clock begins at 12 o'clock and then keep adding 5 minutes and telling the time.
