

Monday 1.6.20

Maths Tasks

We are going to keep working on multiplication for a little while. I know some of you will think the start of it is easy but keep going, it gets harder in tiny steps and it's great to make sure you fully understand everything.

1 2 3 4 5 maths, maths meeting
6 7 8 9 10 I love maths, yes I do!

Part 1 of the lesson - Maths warm up - Purple Mash counting in 2s.

NCETM - counting in 2s

Part 2 of the lesson - Number work using White Rose

Part 1

Before the holidays we worked on counting in 2s - let's recap our learning.

Remember to count on with the teacher, as if you are sat on the carpet in school - remember our maths meeting rules.

Everyone joins in

https://www.youtube.com/watch?v=mbCshx2Vu4M&list=PLQqF8sn28L9yTV9WxpHw-9BbqRe_f49fr&index=1

At the end of the video, the teacher asks you to make some counters for tomorrow. Please make sure you make some for yourself so that you can join in tomorrow's activity.

Part 2

White rose Maths

Counting in 10s

Follow the video and then complete the worksheet.
