Maths Tasks

1 2 3 4 5 maths, maths meeting
6 7 8 9 10 I love maths, yes I do!

Part 1 of the lesson - Maths warm up

Part 2 of the lesson - Revision of our number work using White Rose Maths

Part 1

- Purple Mash - Number bonds to 20. See how fast you can go.
- Times Tables practise on Purple Mash. I have set a class race so that you can compete against your friends. Be ready to get involved at 10.30.

Part 2

White Rose Maths

I have put the answer sheet below so you can mark your work.

Today's maths is all about number bonds to 100

- First work through the video below
- Either complete the worksheet or follow the link to BBC Bitesize for more activities
<https://www.bbc.co.uk/bitesize/articles/znmpf4j>

Remember, your answers can be written straight into your exercise book.

Don't forget I always encourage you to draw pictures to help you work things out.
You can do this at home too.
