

Tuesday 24.3.20

Maths tasks for the day:

Flashback (see below) - revision of things we have done before. You can either print out the sheet or copy the questions into your work book.

Flashback 4 Year 2 | Week 1 | Day 2

1) Divide 15 by 5

2) There are 10 crayons in each pack.
How many crayons altogether?

3) Complete the sequence. 16, 14, 12, __ , __

4) Find the sum of 9, 5 and 1

Times tables - set as a 'to do' on Purple mash

Times tables games - <https://www.topmarks.co.uk/maths-games/hit-the-button>

Please practise 2, 5 and 10 times tables. (If you are very confident then you can move onto 3 times table.)

This week we are learning about measurement.

Today's task is to measure items in centimetres. You could use a ruler or a tape measure, whichever you have in the house.

Can you choose items around your house to measure in centimetres?

For example - a book, a spoon, the height of a plant, a teddy.

Set out your measurements neatly in your book, like mine below.

item	measurement in centimetres
book	21 cm

You are super-measurers!
