

Sienna Rai's Corona Virus Diary

Dear Diary,

I am really missing all of my friends at school, especially Ivy May.

I am enjoying spending time at home with my mummy and she is doing lots of learning and fun stuff with me but I can't wait to get back to school to see my friends and teachers!

During lockdown we started off with a 'kind project' making food bags up for the elderly and my step daddy friend gave them out as it was not safe for me to do.

We have also been doing things that we never really did before like, going out for walks, going bike riding a lot more, going to the beach, collecting shells, lots of baking and lots of playing in the garden on sunny days. We have also been having lots of BBQs in the garden which is fun.

I am also reading to my baby sister quite a lot because she likes me reading to her and I enjoy doing that too.

Its my birthday in 2 weeks and I hope I am allowed to see a friend but if not thats still ok as I know it's to save lives and the NHS.

I really hope this ends soon and we can all go back to normal but in the meantime I will carry on helping my mummy and doing as much learning at home as I can.

Lots of love

Sienna Rai xxx
