

MY LIFE ON LOCKDOWN

on lockdown, it has been pretty boring not being able to do as much fun stuff, but my mum and dad have been trying so hard so i can enjoy staying at home. at my dads, i always go on walks with dee and i go on the wii. and they cook me very nice meals! At my mums, we go on lots of bike rides and me and my mum watch films too. she has been doing alot of gardening lately! i help with the weeding. it is very fun when i find bugs too.
