

My life in lockdown.

Dear reader. I am a 10 year old boy who speak fluently in English but my family is origionally from Poland (I can also speak Polish). Right now I am in lockdown because of the Covid-19 aka Coronavirus. We have a rule of social-distancing (2m min). Life now is tricky I can't meet up with friends family (Apart from the people I live with).

I hope you enjoyed my letter.
Your sincerely,
Ignacy Stempka.
