

St Philip's Eco Newsletter

Hello and welcome to the first ever **St Philip's Eco Newsletter**! This termly newsletter will keep you updated with all the wonderful things happening in our school to help look after our planet.

The incredible Eco Warriors led a whole school worship on **Earth Day** in April, sharing with their classmates the importance of making small, every day choices that are environmentally friendly.

The Year 5 and 6 Eco Warriors visited **Woodlands Care Home** earlier this term to plant five fruit trees in their lovely garden. Come back in our next newsletter to see how the trees are doing in their new home!

Look on the **Eco Kids** page on our website for lots of fun activities, links and games you can try at home! <https://st-philips-church-of-england-primary-school.secure->

Eco Kids!

The Eco Warriors led by Miss Byrne have worked very hard this year to get St Philip's ready to submit our application for an **Eco-Schools Green Flag Award!**

The final stage was to create our '**Eco Code**' to show our commitment to looking after our planet. You can find it across school and on the school website. Hopefully we will hear back before the end of the year about our green flag award!

Our Eco Code by St Philip's

Everybody can make a difference

Come join in and let's go green

Only come by car if you need to

Celebrate God's wonderful world

Open your recycling bins

Don't forget to switch it off

Environmentally friendly

Summer 2023
