## Interfaith week 2023

We had a fabulous week in school exploring different sacred buildings. All classes went to St Philips church and took part in a treasure hunt, Year 5 and 6 went to Liverpool, Year 3 went to St Marie's church and Year 4 and 2 went to the Salvation Army. Reception and Year 1 enjoyed a Diwali dance workshop.

### Reception and Year 1

Diwali dance workshop- exploring the story of Lord Rama and Princess Sita

I liked the end of the dance when we had to be fireworks to show the celebration. Year 1

We had lots of fun dancing in our Diwali dance workshop. We liked the story of Rama and Sita. Reception

We had a visit from Christ the King students to teach us about different holy buildings.

The students from Christ the King gave great explanations of each faith and the children loved seeing the artefacts that were brought in. Miss Samuel

"We went to holy places. The Parish Church, also known as the Sailors' Church or Children's Church, was an amazing experience. We learned that it was bombed in World War 2. We went to the Metropolitan Cathedral which was a huge cathedral with 13 chapels!" Year 6

"I found the artwork around the Parish Church very thought-provoking and meaningful, such as the 'homeless Jesus' on the bench and the knife crime plinth. It reminded me and the children of the relevance of the Gospel, still in today's modern world." Ms Lund

Year 5 and 6 visited holy buildings in Liverpool- The Anglican cathedral, Catholic Metropolitan cathedral and St Nicholas church

I have loved learning about all the different religions this week. Visiting a new church was great and it was so lovely inside Year 3.

Year 2 and 4 went to the Salvation Army

I liked the cafe because it helped homeless or people in need. Year 2

Year 3 visited St. Marie's Catholic church

St Philips church- animal hunt for the Infants and treasure trail quiz for the Juniors!
