

## How wonderful you are

Dear St Phillips and St Paul's

Woodland's manor would like to give you all a big thank you for all of your inspiration, commitment and hard work in helping us to raise funds for our minibus. (You are all amazing.) It has been an absolute delight to work with all of you and your teachers. As a manager of a Dementia home the joy you have brought to the residents my staff and myself has been wonderful and we hope you feel the same way. Every time you visited to see the residents faces light up like it is Christmas day was remarkable and we can't thank you enough for that. To see so many children who wanted to be involved and interact was amazing. When we did the sponsored walk together it was such joy to see the different generations united as one and I will never forget that. The funding that you have all worked hard to raise is amazing and will help us to fund a bus for the residents to take them to places what they are unable to get to without transport. We are looking forward to continuing to work closely in the future.

Once again thank to all of you for your kindness and support
