

HARVEST 'PAUSE' DAY

2022

Time to be thankful...

Each class started the day with a class worship- a chance to stop and be thankful for all God has given us. We wrote bubbles of thanks for our school prayer wall.

Class activities

During the day every class took part in different activities- we invited our church prayer buddies in to help us.

Reception- bird feeders

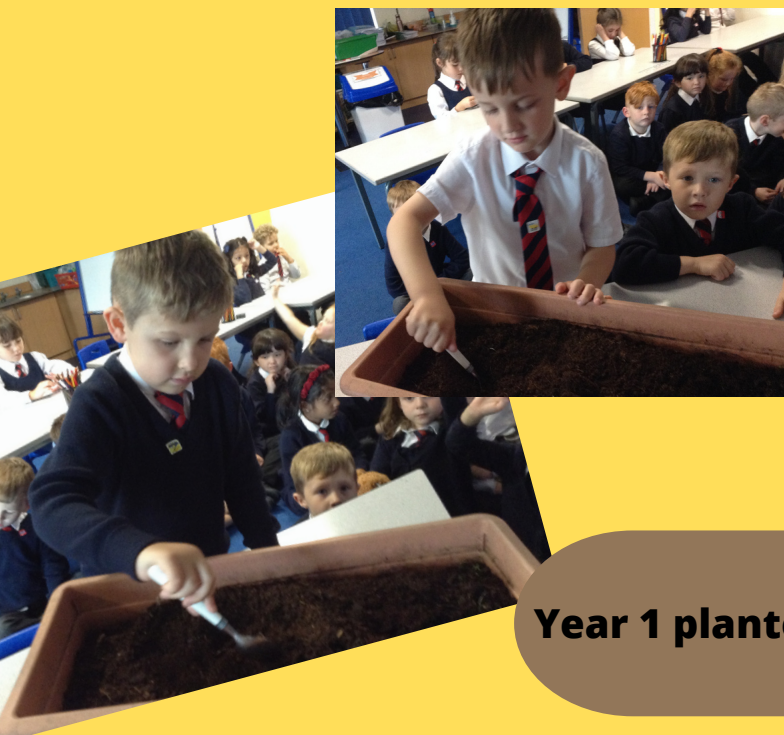

Year 2- Autumn seed art

Year 6- Harvest moon poems

Year 1 planted seeds

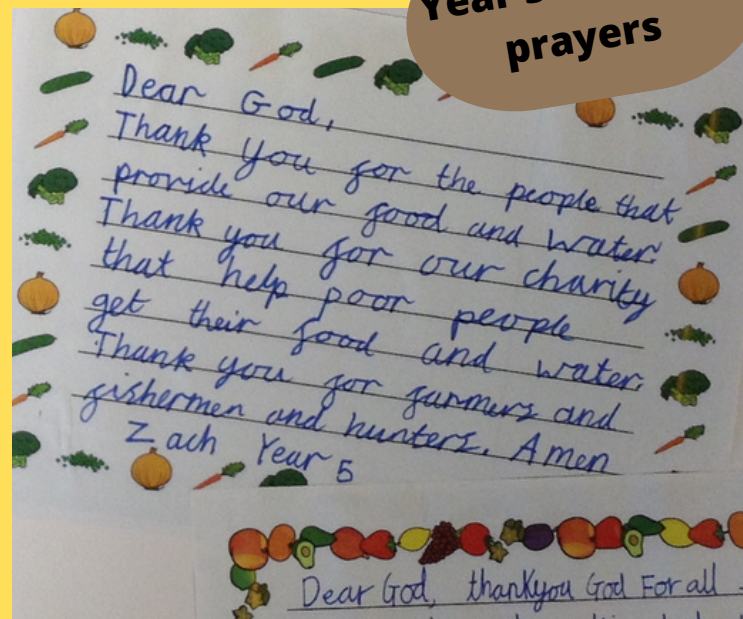

Year 3- fruit art with prayers on

Year 4- leaf pictures

Year 5- Harvest prayers

To end our special Harvest 'pause' day we went to church for our whole school Harvest celebration.

**A BIG thank you to everyone who brought gifts of money to support our Harvest Project. You raised an AMAZING £274.42 to help build a community centre in Malawi which will help the community run homework clubs, a clinic and a church. You are making a real difference to people's lives. Thank you for joining our harvest PPW Church Family.
Rev. Marie- Anne**
