Statement of intent

St Philip's C of E Primary School wishes to ensure that our pupils with medical conditions receive appropriate care and support at school. This policy has been developed in line with the Department for Education's guidance released in April 2014

– "Supporting pupils at school with medical conditions" and updated and amended in light of 2015 guidance

Ofsted places a clear emphasis on meeting the needs of pupils with SEND and Disabilities and this includes children with medical conditions.

1. Key roles and responsibilities

1.1. The Local Authority (LA) is responsible for:

- 1.1.1. Promoting cooperation between relevant partners and stakeholders regarding supporting pupils with medical conditions.
- 1.1.2. Providing support, advice and guidance to schools and their staff.

1.2. The Governing Body is responsible for:

- 1.2.1. The overall implementation of the Supporting Pupils with Medical Conditions Policy and procedures of St Philip's
- 1.2.2. Ensuring that the Supporting Pupils with Medical Conditions Policy, as written, does not discriminate on any grounds including, but not limited to: ethnicity/national origin, culture, religion, gender, disability or sexual orientation.
- 1.2.3. Handling complaints regarding this policy as outlined in the school's Complaints Policy.
- 1.2.4. Ensuring that all pupils with medical conditions are able to participate fully in all aspects of school life.
- 1.2.5. Ensuring that relevant training provided by the LA is delivered to staff members who take on responsibility to support children with medical conditions.
- 1.2.6. Guaranteeing that information and teaching support materials regarding supporting pupils with medical conditions are available to members of staff with responsibilities under this policy.
- 1.2.7. Monitoring the presence of written records of any and all medicines administered to pupils. (confidentiality will be maintained on a need to know basis, agreed by parents)
- 1.2.8. Ensuring the level of insurance in place reflects the level of risk.

1.3. The Head Teacher and SENDCO is responsible for:

- 1.3.1. The day-to-day implementation and management of the Supporting Pupils with Medical Conditions Policy and procedures of St Philip's
- 1.3.2. Ensuring staff are aware of common triggers that can make common medical conditions worse or bring on an emergency. The school actively works towards reducing/elimination those health and safety risks.
- 1.3.3. Ensuring the policy is developed effectively with partner agencies.

- 1.3.4. Making staff aware of this policy.
- 1.3.5. Liaising with healthcare professionals regarding the training required for staff.
- 1.3.6. Making staff aware of a child's medical condition.
- 1.3.7. Developing Individual Healthcare Plans (HCPs).
- 1.3.8. Ensuring a sufficient number of trained members of staff are available to implement the policy and deliver HCPs in normal, contingency and emergency situations.
- 1.3.9. If necessary, facilitating the recruitment of a member of staff for the purpose of delivering the promises made in this policy.
- 1.3.10. Ensuring the correct level of insurance is in place for teachers who support pupils in line with this policy.
- 1.3.11. Contacting school health in the case of any child who has a medical condition.
- 1.3.12. Keeping written records in the agreed format of all medicines administered on a daily basis.

1.4. Staff members are responsible for:

- 1.4.1. Taking appropriate steps to support children with medical conditions.
- 1.4.2. Where necessary, making reasonable adjustments to include pupils with medical conditions into lessons.
- 1.4.3. Administering medication, if they have agreed to undertake that responsibility.
- 1.4.4. Undertaking training to achieve the necessary competency for supporting pupils with medical conditions, if they have agreed to undertake that responsibility.
- 1.4.5. Familiarising themselves with procedures detailing how to respond when they become aware that a pupil with a medical condition needs help.
- 1.4.6. A named, trained adult would be responsible for administering injections.
- 1.4.7. Informing additional adults, support or supply staff of children with medical conditions on a need to know basis.

1.5. School health is responsible for:

- 1.5.1. Notifying the school when a child has been identified with requiring support in school due to a medical condition.
- 1.5.2. Liaising locally with lead clinicians on appropriate support.
- 1.6. **Parents and carers are responsible for:**
 - 1.6.1. Keeping the school informed about any changes to their child/children's health.
 - 1.6.2. Completing a parental agreement for school to administer medicine form before bringing medication into school.
 - 1.6.3. Providing the school with the medication their child requires and keeping it up to date.
 - 1.6.4. Collecting any leftover medicine at the end of the course or year.
 - 1.6.5. Discussing medications with their child/children prior to requesting that a staff member administers the medication.
 - 1.6.6. Where necessary, developing an Individual Healthcare Plan (HCP) for their child in collaboration with the SENDCO or other staff members and healthcare professionals.

2. Definitions

- 2.1. "Medication" is defined as any prescribed or over the counter medicine.
- 2.2. "Prescription medication" is defined as any drug or device prescribed by a doctor.
- 2.3. A "staff member" is defined as any member of staff employed at St Philip's including teachers.

3. Training of staff

- 3.1. Teachers and support staff will receive training on the Supporting Pupils with Medical Conditions Policy as part of their new starter induction.
- 3.2. Teachers and support staff will receive regular and ongoing training as part of their development.
- 3.3. No staff member may administer prescription medicines or undertake any healthcare procedures without undergoing training specific to the responsibility, including administering
- 3.4. No staff member may administer drugs by injection unless they have received training in this responsibility

The office staff keep a record of training undertaken and a list of teachers qualified to undertake responsibilities under this policy.

4. The role of the child

- 4.1. Children who are competent will be encouraged to take responsibility for managing their own medicines and procedures following medical advice and parental consultation.
- 4.2. If pupils refuse to take medication or to carry out a necessary procedure, parents will be informed so that alternative options can be explored.
- 4.3. Where appropriate, pupils will be encouraged to take their own medication under the supervision of a named adult.

5. Individual Healthcare Plans (HCPs)

- 5.1. Where necessary, an Individual Healthcare Plan (HCP) will be developed in collaboration with the pupil, parents/carers, Head teacher, Special Educational Needs Coordinator (SENCO) and medical professionals.
- 5.2. HCPs will be easily accessible whilst preserving confidentiality.
- 5.3. HCPs will be reviewed at least annually or when a child's medical circumstances change, whichever is sooner.
- 5.4. Where a pupil has an Education, Health and Care plan or special needs statement, the HCP will be linked to it or become part of it.
- 5.5. Where a child is returning from a period of hospital education or alternative provision or home tuition, we will work with the LA and education provider to ensure that the HCP identifies the support the child needs to reintegrate.

6. Medicines

- 6.1. Where possible, it is preferable for medicines to be prescribed in frequencies that allow the pupil to take them outside of school hours.
- 6.2. If this is not possible, prior to staff members administering any medication, the parents/carers of the child must complete and sign a parental agreement for a school to administer medicine form.
- 6.3. No child will be given any prescription or non-prescription medicines without written parental consent.
- 6.4. No child under 16 years of age will be given medication containing aspirin without a doctor's prescription.
- 6.5. Medicines MUST be in date, labelled, and provided in the original container (except in the case of insulin which may come in a pen or pump) with dosage

instructions. Medicines which do not meet these criteria will not be administered.

- 6.6. A maximum of four weeks supply of the medication may be provided to the school at one time.
- 6.7. Controlled drugs may only be taken on school premises by the individual to whom they have been prescribed. Passing such drugs to others is an offence which will be dealt with under our Drug and Alcohol Policy.
- 6.8. Medications will be stored in the school office in a locked cupboard.
- 6.9. Any medications left over at the end of the course will be returned to the child's parents.
- 6.10. Written records will be kept of any medication administered to children.
- 6.11. Pupils will never be prevented from accessing their medication.

7. Emergencies

- 7.1. Medical emergencies will be dealt with under the school's emergency procedures.
- 7.2. Where an Individual Healthcare Plan (HCP) is in place, it should detail:
 - What constitutes an emergency.
 - What to do in an emergency.
- 7.3. Pupils will be informed in general terms of what to do in an emergency such as telling a teacher.
- 7.4. If a pupil needs to be taken to hospital, a member of staff will remain with the child until their parents arrive.

8. Avoiding unacceptable practice

- 8.1. St Philip's understands that the following behaviour is unacceptable:
 - Assuming that pupils with the same condition require the same treatment.
 - Ignoring the views of the pupil and/or their parents.
 - Ignoring medical evidence or opinion.
 - Sending pupils home frequently or preventing them from taking part in activities at school
 - Sending the pupil to the medical room or school office alone if they become ill.
 - Penalising pupils with medical conditions for their attendance record where the absences relate to their condition.

- Making parents feel obliged or forcing parents to attend school to administer medication or provide medical support, including toilet issues.
- Creating barriers to children participating in school life, including school trips.
- Refusing to allow pupils to eat, drink or use the toilet when they need to in order to manage their condition.

9. Insurance

- 9.1. Teachers who undertake responsibilities within this policy are covered by the school's insurance.
- 9.2. Full written insurance policy documents are available to be viewed by members of staff who are providing support to pupils with medical conditions. Those who wish to see the documents should contact the Business Manager.

10. Complaints

We endeavour to do the best that we can for all of our pupils and will make every effort to ensure that all children have their specific needs catered for. We encourage all parents and carers to communicate openly and directly with us and we continually seek to amend and improve our practice.

- 10.1. The details of how to make a complaint can be found in the Complaints Policy.

11. Links

This policy runs alongside the following policies

- SEND Policy
- Safeguarding policy
- Administering medication
- Anaphylaxis and allergens
- Asthma policy
- Equality policy
- Intimate Care Policy

Standard forms mentioned in this document can be found in the school office.
