The Railway Children

We had a wonderful afternoon watching a live theatre performance of the Railway Children. I hope that many of you have been able to share this book/film at home.

This week the children are working hard, linking writing opportunities to the many elements that have sparked their imaginations.

We have lots of imaginations running riot across school!
Classes are working on the following pieces

Reception	Letters to Daddy
Year One	The story in short
Year Two	A problem at the station
Year Three	A view from the train
Year Four	Railway Poetry
Year Five	Newspaper Report
Year Six	Diary entry

A letter to Schools from the Children's Commissioner

As Children's Commissioner, I'm writing to ask for your support in helping children at your school or college take part in my national survey, The Big Future.

Your students can take part here: <http://www.childrenscommissioner.gov.uk/thebigfuture>

As schools and colleges return for the final weeks of the academic year, this is a valuable opportunity for children and young people to reflect on their experiences, share what matters most to them, and tell us about their hopes and ambitions for the future in their own words.

I would be hugely grateful if you could share the survey directly with pupils through your school or college email systems, as well as with parents and carers across your wider school community. Direct student participation is essential to ensuring that young people's voices are heard and represented.

Please do try to take time to complete the survey with your child.

A reminder that families are fined by the Local Authority for taking Term Time holidays. The Penalty Notice Fine goes directly to the Local Authority. School does not benefit in any way. We would encourage all families to read the information on the school website. Term time holidays totalling 5 full school days are eligible for a fine or, for example, 2 holidays which total 5 days.
