IN.

A huge thank you to these amazing children who helped us learn all about Ramadan. We know how important it is to learn from our friends. The children led the session wonderfully and were able to answer questions confidently telling us all about their faith and family traditions.

Children will take part in activities linked to British Sign Language next week to raise awareness of the importance of being able to communicate effectively with individual who have hearing loss. Run by the British Deaf Association, the campaign aims to celebrate and educate about British Sign Language (BSL), to encourage more people to start learning it and preserve BSL for future generations.

World Book Day 2026

What a gorgeous day! Everybody had such a great time. Thank you to our wonderful parents and carers who always support days like this with such enthusiasm.

Congratulations everyone – We are a Rail Safe School!

Rail safety is really important as we have so many local train tracks. We have been learning about how to stay safe near at the train station and when we are out near rail crossings that may or may not have barriers
