

St Philip's C of E Primary School

13th February 2026

Dates for your Diary.

Proud to support
The National Year
of Reading 2026.

Happy Half Term Everyone.

If your child is absent for whatever reason please, please ring us and leave a message. This week I have made 3 unnecessary home visits.

If it's term time holiday absence, I am sorry but this is unauthorised and you may be fined by the LA. Please do make sure you have completed a form so that we know you are safe and well and don't come out to your house!

Thank you to nearly everyone who came to parents evening and thank you to those who completed our survey. There is still time to follow the link to complete the survey as your views are really important to us.

Thank you to the School Council for organising a super non uniform day for a wonderful cause. We will add up your kind donations and let you know how much was raised for the 3 Girls Charities.

You will receive a letter from Elsie's mum which is a very touching read alongside information about a further fundraising idea.

SAFER INTERNET DAY

FAKE NEWS

**Safer
Internet Day
2026**

The Government have produced some helpful resources to support online use at home. The link below takes you to helpful pages including Parental Controls and how to talk to your child about critical thinking skills in things they see online.

Talking to your child about online content

Mr Scott has given the children details of a super quiz which you can find on the NSPCC website.

Years 4 and 5 have had a brilliant time becoming **Mini Medics**.

This wonderful life-saving session gives children the skills they need should they be faced with an emergency. They have learnt about dialling 999 and what to say, they have practised CPR and learnt about how to use the contents of a first aid kit.

We have been celebrating for most of the week.

Children have been enjoying a Silent Disco, trips to watch shows and a series of lessons to share strategies to support their Mental Wellbeing. We have also been learning about how to keep Ourselves safe online.

Year 5 Birkdale High Maths Challenge

Brain busting maths happening in Year 5 thanks to Mr Carter from Birkdale High... we will wait to hear if we made it to the final in the Summer Term. Hopes are high!
