

St Philip's C of E Primary School

13th March 2026

Dates for your Diary.

Monday 16th March

Science Workshops Y1 – Y6
Family Sweaty Church Celebration

Tuesday 17th March

Yar 4 Eco Centre

16th – 27th March

Big Walk & Wheel

Thursday 19th March

Class Worship – invitees only.

Friday 20th March

Year 5 Mission Impossible

Thursday 20th March

Y5 - 10-11:30 Mission Impossible

Quick request – do you have a hat of this style at home that Y1 could borrow for their filming?

If so send it in, clearly labelled and we will get it back to you!

Proud to support
The National Year

A quick reminder that if your child is helping you or supporting you to help another family member, please let us know so that we can ensure that you have the support that you need for your family.

This could be a sibling, a parent, grandparent or other relation.

Thank you to Rev Dan from Scarisbrick Road Baptist Church for coming to talk to us about our value for this half term. We watched a clip of Eddie the Eagle Edwards and we watched a tear-jerking moment from Cool Runnings. We are working hard to understand this value and what it means to us, especially during the run up to Easter.

The School Councillors have been very busy planning the Great St Philip's Spring Clean.

Each School Councillor will be working with their class to make our school sparkle!

We have bought lovely spring plants to brighten up our rooms, we have made posters and given everybody a special job. On Monday our site and office staff will be judging the tidiest, most sparkly, springy classroom!

Morning Routines

The school gates open at 8.45 to enable everyone to have plenty of time to get into school, get their coats off and crack on with their morning work before the teacher takes the register at 8.55.

If you arrive bang on 8.55, your child has a bit of a rush to get themselves sorted and into the right mindset for learning. We really would encourage everyone to head through the gates handy.

From 8.45 -8.50 we offer meet and greet for all children and a soft start for those who need it.

Morning starter tasks are ready on the board and include activities such as handwriting, spelling, word of the day, a maths question or a quick write.

Sensory circuits begin at 8.55 too for those who have this on their Individual plan.

Step into the NHS

We try to encourage children to think about the wide range of career opportunities out there. This can be really inspiring for young children. One of the series we offer is created by the NHS.

We are proud to have been nominated by the Music Hub for our dedication to ensuring our young people have access to a substantial and wide music offer. Congratulations to all of our children who attend a music club, play in a band or orchestra, have music lessons and join in so enthusiastically with our in class lessons.

Fire Drill and Safer Inside Drill

This week we have thought about Keeping Safe.

- When we are at school, we practise safety drills. Drill means practise.
 - We practise going outside if there was a fire.
 - We practise staying inside if there is a danger outside.
- Possible dangers could be: fire, chemical spill, accident, unsafe people, an animal or something else that we should stay away from.
- We do this to make sure we are all safe.

	You've been Spotted		Star of the week	Math' Magician	Handwriting and presentation award	Behaviour Buddy
	Name	Christian Value				
R	Coby	Friendship	Ayaaz Ali	Reggie	Hunter	Amelia K
