Non-Uniform Day for Southport Love my community

Proud to support
The National Year
of Reading 2026.

Southport learning Partnership

Our school is part of the Southport Learning Partnership where we work together with other schools on joint projects. Love My Community is a special day in the school year where we join with other local schools to raise money for a charity chosen by the children of Southport.

This year the school council representatives from each school have chosen to support Alice's Wonderdance, Bebe's Hive and Elsie's Story.

These charities touch so many hearts in our community of Southport.

Alice's Wonderdance supports young dancers by removing financial and social barriers, providing resources such as shoes, funding for classes, and community dance opportunities.

Bebe's Hive is centred on healing, creativity, and connection for bereaved children and their families

Elsie's Story supports children and families through memory-making experiences, care grants, and community-led kindness.

On Friday 13th February children across all of our Southport schools will be wearing their own clothes to school for our Love Our Community Day in exchange for a £1 donation which will be split equally across the 3 charities. Payment is set up online for you.

Class Worship - Justice

Thank you to our families who came to worship with us and thank you to the children for such a thoughtful experience. We hope that our theme of justice for this half term has been a talking point for you at home. Attached to the news letter is a home-school worship activity pack. Please enjoy it together.

Breakfast Club

We run a thriving breakfast club at our school. **Children arrive between 7.45 and 8.15.** It is a lovely start to the day for our children.

Could we please politely ask that families cancel bookings by emailing or telephoning the office if they do not require the service. If we receive less than 24hrs notice for a cancellation we will charge for the booking. We pre-order food, pre-book staffing and pre-prepare food in anticipation of all children who are booked in arriving.

Sadly, over the last couple of weeks we have had to turn busy families away as a result of bookings that are held but then not used.

We absolutely understand that our families are busy and that time and money are precious so this little prompt will, we hope, help save families money if they aren't needing our service and enable another family to take up the much-needed place.

Thank you everyone
