Church Car Park

An important reminder.

Please do not drive into the church car park. It is too dangerous when there are children around. We have had several very near misses.

School families are not permitted to use the church grounds for drop off and pick up.

You will notice that the gates will be closed.

Please also be careful if you are walking in the church car park. The surface is uneven.

The carpark belongs to church not to school.

Thank you

“AM I A YOUNG CARER?”

A huge thank you to Andrew from Young Carers who came to visit us to share the ways in which this marvellous charity support both children in our school and others in Sefton.

We recently sent a questionnaire to families to support our identification of children who might need a little bit more help, support, a listening ear or time out for a bit of fun.

Andrew is coming back next week for a chat with Mrs Edward.

If you feel that your child would benefit or you have tricky things going on at home, please speak to Mrs Edward who would be only too happy to put you in touch and engage your child in some of the in school activities we have planned.

Liverpool Faith Visits

Year 5 and 6 have had a wonderful time visiting Princes Street Synagogue which is utterly beautiful and both the Catholic and Anglican Cathedrals too which are unique in their own right. It was a very busy day.

Mrs Edward is absolutely delighted to be able to provide such wonderful experiences for the children. We have to ensure that children transition into the big wide world with a wide range of first-hand experience of all world faiths, not tarnished by the views of others so that one child at a time we can help to make the future of our wonderfully inclusive country that little bit brighter.

Tours for September 2026 starters

It has been a delight to show prospective parents around school over the last few weeks. The deadline for school admissions is January 15th. If you have younger children, please be aware that you do not automatically get a place unless you apply. Please remind all of your friends and neighbours that if they would like a tour, they only have a few weeks left to get organised. Mrs Edward does individual family tours and is absolutely honoured to showcase the wonderful staff, children, routines and environment that we are blessed with at St Philip's.

Bowling Trip

This gorgeous lot had the most amazing time at Bowling, just look at their smiles! Everyone had so much fun competing against other schools and as usual we took away a host of glittery medals! Well done Team Bowl! A big thank you to Mrs Klaassen, Mrs Adkins and Mrs Parsons!
