All are welcome to attend our Harvest Service on
Monday at 2:00pm.

We are raising money for Bible Translation Services
and would really appreciate donations to this charity.

We would like children to bring in a small monetary
donation in an envelope that will be blessed in church
on Monday by Reverend Rachel.

The children have been learning about the difficulties
that people across the globe have accessing God's
word.

From the DfE...

We were deeply saddened to learn of the recent incident at the Heaton Park Hebrew Congregation Synagogue in Crumpsall, Manchester. Our heartfelt condolences go out to the families, victims and all those affected by this tragic event.

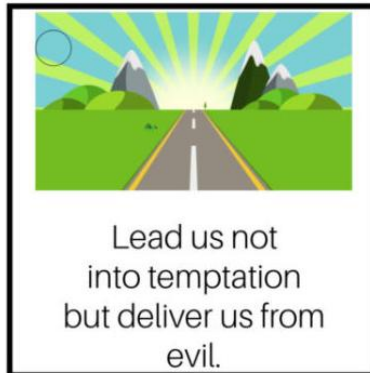

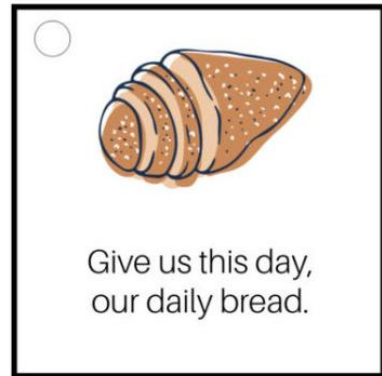

Here are some links families our families may find helpful when talking about the sensitive or difficult things children hear about or see.

DfE's Educate Against Hate website provides schools and parents with free, quality assured resources to help them navigate discussions on sensitive topics and confront hate and prejudice in our schools and communities. Resources on antisemitism can be found here.

The following online resources may also be helpful in managing difficult conversations with young people:

- NSPCC: How to have difficult conversations
- Red Cross: Talking with children about a major emergency (5–11-year-olds)
- Red Cross: Talking with young people about a major emergency (11–19-year-olds)

Matthew 6:9-13

Today is "Lord's Prayer" Day.
In the book of Matthew it tells us that this is how we should pray!
The prayer tells us that...

1. His name is holy.
2. His will (or what He wants) will always be done.
3. God gives us what we need for each day.
4. God forgives us and calls us to forgive others!
5. God saves us from evil and helps us not to be tempted.
6. God's kingdom will reign forever!

We use this prayer in school all of the time and by the time your child leaves us, they will have this one and many other simple prayers in their toolkit.

Girls Football.

The girls had a great series of games last week. Mr Scott said that the girls played some really tricky matches, they worked hard but needed lots of resilience, grit and determination.

We always talk about it being the taking part and the way we treat people that matters, and that's the same with any of our teams that go to matches.

When we don't win, we do so with grace and we always get compliments for our team spirit and our evident values based approach.

Well done girls.

Little reminders

Children should not bring their own stationary to school. We provide everything that is needed for lessons.

All children should have a named, waterproof coat. We go outside when it's raining, we don't shrink! We really do enjoy the fresh air, rain or shine!

School bags and packed lunch containers need to be sensibly sized. We don't have room for whopping big ruck-sacks in the juniors or book bags with hundreds of dangly key chains on them. The key rings get all caught up and also get lost and damaged which causes unnecessary upset. We have to fit up to 8 packed lunch friends on a table and massive boxes and bags make this a bit chaotic.

Thank you for helping us, we want everybody to be happy and we want to minimise the little problems that can upset children and take time away from learning.
