

Spellings will be tested on a **Friday**.

Spellings for each week are also included on the homework sheet, but below you will find an overview of the different spelling patterns we will cover during Autumn 1.

We will have weekly ELS spelling sessions (Essential Letters and Sounds). This is a follow-on scheme to the phonics the children covered in Key Stage 1.

Children will also benefit from additional practice at home. Spelling helps children grow in confidence and accuracy across all areas of their writing. Thank you for your support.
