**JOIN US!**

Our School Council are organising a really important day for us all. Friday 16<sup>th</sup> October Wear Red Day is an important opportunity for our school community to stand together against racism and all forms of discrimination. We want our children to understand that everyone should be treated with kindness, dignity and respect, regardless of their race, religion, background or identity. At St Philip's, we are proud to celebrate diversity and promote a culture of belonging, where there is no place for prejudice, discrimination or hate in our school or in our wider world.

Parents and carers are encouraged to join in with us and wear an item of red to work.

### Democracy in Action – Our Voice Matters!

Representatives from our School Council met with children from other local schools at The Atkinson this week to collaborate, share their thoughts and opinions, and contribute to the early planning stages of the new Southport Memorial Gardens. The children discussed ideas, listened to different perspectives and worked together to help shape a space that will be meaningful for the local community. It was a valuable opportunity to develop their leadership, communication and teamwork skills while ensuring that young people's voices are included in an important community project.

### Class Worship

Thank you to the families who joined us for class worship. Our theme this half term is friendship, and we received some really lovely feedback from families in relation to the way the children spoke and the way that they tied this beautiful bible theme into something really relevant to our lives today.
