

Year 3 October Half Term Homework

Remembrance 2026

Remembrance Project

Honouring the Past • Learning for the Future

Remembrance day falls in our next half term. We remember the people who helped and protected our country in the past. Choose ONE activity to complete during the holiday. We shall be putting these on display so please bear that in mind - don't send anything you wouldn't want going on a website and sharing with the public.

Activity 1: My Family in World War One or Two

- A photo of a family member from WWI or WWII
- 2-4 sentences explaining what they did
- Any role is welcome: Soldiers, Nurses, Land Army, Factory Workers, Medics, Engineers, Evacuees, Helpers

Activity 2: Visit the War Memorial

- A photo of you standing with your head bowed
- Optional: A short sentence about where you took the photo or how it felt to visit

How to Send Your Work

- Email your photo and writing to your class teacher (lockyera@sps.sefton.school)
- **OR** bring a paper copy into school after half term

We look forward to seeing your thoughtful Remembrance work.
